Canadian Momz is a website dedicated to fabulous Canadian Momz and their families! Canadian Momz is your resource for everything fabulous and Canadian! We are always looking for great Canadian Moms, Websites and Products, so if you know of someone or something fab and Canadian, let us know!!

Canadian Momz is run by Christy Thompson, a Canadian WAHM of five children, and step mom to two teenagers! Canadian Momz was formerly owned by Amber Hewitt and her goal of this site was to offer our Canadian customers something more localized and there wasn't a hip Canadian resource website for us Canadian Moms, until now!
